

Landscaper Pro Turf Fertilizer
With Pre-Emergent Weed Control

JUNE 05 2012

KEEP OUT OF REACH OF CHILDREN
CAUTION

See below for additional precautionary statements

ACTIVE INGREDIENT:

Pendimethalin†	1.12%
OTHER INGREDIENTS:	98.88%
Total	100.00%

†CAS #40487-42-1

EPA Reg. No. 538-237 EPA Est. No. 085653-OH-001^R, 538-OH-2^V
Superscript is first letter of run code on end of container.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing.

Personal Protective Equipment (PPE)

All loaders, applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Chemical resistant gloves made of waterproof materials, and
- Shoes plus socks

User Safety Recommendations

User should wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water.

First Aid

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor, or going for treatment. You may also contact 1-877-561-6584 for Emergency Medical Assistance.

Environmental Hazards:

This pesticide is toxic to fish. Do not apply when weather conditions favor drift from treated areas. Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. In case of spills, either collect for use or dispose of properly. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn will help to prevent run off to water bodies or drainage systems.
Staining Note: Can cause staining to cement, stone, metallic surfaces (such as automobiles and garden furniture), clothing or shoes. If contact occurs, brush off particles to prevent staining and/or unwanted tracking into the house. If necessary, rinse off with water.

Spreader Setting Information **Covers 15,000 sq. ft.**
Apply header strips. Then apply in longest direction of lawn. For additional spreader settings, please call 1-800-543-TURF (8873)

Guaranteed Analysis		
Landscaper Pro Turf Fertilizer	30-0-4	F643
with Pre-Emergent Weed Control		
Total nitrogen (N)	30%	
30% urea nitrogen*		
Soluble Potash (K ₂ O)	4%	
Sulfur (S)	1%	
1% Free Sulfur (S)		
Derived from: polymer-coated, sulfur-coated urea, urea, and potassium chloride.		
*A portion of the urea has been coated to provide 4.5% coated slow-release nitrogen (N).		
Chlorine (Cl), not more than	11%	
Information regarding the contents and levels of metals in this product is available on the internet at http://www.regulatory-info-sc.com		

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

APPLICATION

Landscaper Pro Turf Fertilizer with Pre-Emergent Weed Control should be applied when your lawn is dry. It is not necessary to water this product in after application. However, for best results the lawn should receive ¼ to ½ inch of water from rainfall or watering within 2-3 days after application. Apply in early spring before the third or fourth mowing or before temperatures are regularly in the 80's. Rain, snow, or freezing weather will not affect the performance of this product.

Note: This product applies 1.5 lbs of pendimethalin per acre in 3.1 lbs of product per 1000 square feet. Do not apply more than twice a year. Apply to prevent germination of crabgrass, foxtail, barnyardgrass, fall panicum, spurge* and oxalis (common yellow woodsorrel):

- In early spring (before dandelions reach the puffball stage)
- Before March in southern California
- Before mid-March in northern California

*For heavy infestations, a repeat treatment is recommended after 6 to 8 weeks.

USE PRECAUTIONS

- Do not apply to newly seeded or sodded areas until after the fourth mowing. On newly sprigged areas, wait 5 months before application.
- Do not seed or sod for 4 months following application. The crabgrass barrier prevents grass seed from sprouting.
- Not for use on dichondra, bentgrass or St. Augustinegrass lawns.
- Except for heavy infestations of spurge, allow at least a 4-month interval between applications of this product. Do not apply this product more than twice annually.

ENTRY RESTRICTION

- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.
- Do not enter or allow others to enter the treated area until dust has settled.

RAKING

- Do not rake or aerify for 4 months after application, to avoid disturbing the crabgrass barrier on the soil surface.

Actively Growing Crabgrass or Moss

This product does not control actively growing crabgrass, moss, or other existing weeds.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Reseal opened bag by folding top down and securing. In case of spill, avoid contact, isolate area and keep out animals and unprotected persons. Confine spills. To confine spill: Cover to prevent dispersal. Place damaged package in a holding container. Identify contents.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Paper and plastic bags: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning.

DISCLAIMER AND LIMITATION OF LIABILITY

IMPORTANT NOTICE FROM THE SCOTTS COMPANY.
PLEASE READ BEFORE USE.

By using this product, to the extent permitted by law, user or buyer accepts the conditions, disclaimer of warranties and limitations of liability. Read the entire directions for use, conditions of warranties and limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once for full refund.

CONDITIONS: This product has been researched to provide necessary data to support its uses listed on the label. The directions for use of this product are believed to be adequate and the user or buyer must always follow the label directions carefully and exercise judgment and caution when using this product under their growing conditions. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness, unsatisfactory or substandard results or other unintended consequences may result because of such factors as weather conditions, presence or absence of other materials, or the manner of use or application, all of which are beyond the control of Scotts. To the extent permitted by law, all such risks shall be assumed by the user or buyer.

WARRANTY: This product corresponds to all claims and descriptions set forth on the label and, subject to the conditions set forth above, is reasonably fit for use for any purpose for which it is intended. Scotts recognizes that the rights and remedies of the user or buyer are subject to the provisions of the applicable law, but makes no other warranties or representations, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of Scotts is authorized to make any warranties beyond those contained herein or to modify the warranties contained therein. Subject to the user's or buyer's rights and remedies under the applicable law, Scotts disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

LIMITATIONS OF LIABILITY: Subject to the user's or buyer's rights and remedies under the applicable state law, the exclusive remedy of the user or buyer and the liability of Scotts or its affiliates, for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid by the user or buyer for the quantity of this product involved or at Scotts' election, the replacement of the product. Subject to the user's or buyer's rights and remedies under the applicable state law, any and all claims or actions related to the use or handling of this product must be commenced within one (1) year from the date the product was purchased.
